ACKNOWLEDGEMENT

REQUIREMENTS FOR DISCLOSURE OF SUPPORT OR NOT TO OBJECT

The City Code, Sub-Part A, Administrative Code, Chapter 2, Administration, Article II, City Council requires disclosure be made for all items requiring a public hearing before City Council as follows:

Sec. 2-40. Disclosure requirements. The following provisions related to disclosures are to be made by principals at public hearings. The term principal shall include and extend to any other person or entity appearing on behalf of a principal, including, but not limited to agents, representatives, attorneys, contract purchasers, or any other individual or entity acting on behalf of a principal purchaser or owner.

- (1) All persons or entities seeking any approval, contract, concession, license or any other relief that requires a public hearing before the city council are required to comply with the disclosure requirements. Provided, however, that in cases in which the relief sought is related to a land use application, disclosure shall be required only by the applicant for such relief. Except to the extent such disclosure is prohibited by a confidentiality order from a court of competent jurisdiction, such persons or entities shall:
 - a. In all items requiring a public hearing, including land use matters, disclose in writing to the city council or verbally on the record at such public hearing, all moneys or compensation paid or offered to a person(s) or entity to support or not object to a matter which is set for a public hearing. Disclosure shall be required whether compensation was paid or offered to the person or entity or to a third party. Compensation includes money, property, services or any other commodity having any economic value or any promise or agreement to provide the same in the future. The disclosure shall include the name of the person or entity offered the compensation, the specific compensation offered, what the person was requested to do or refrain from doing in exchange for said compensation, and whether and to whom the compensation was paid; and
 - b. In all items requiring a public hearing, including land use matters, disclose in writing to the city clerk or verbally on the record at such public hearing, all moneys or compensation as defined above, sought or requested by a person(s) or entity to support or not object to a matter which is set for a public hearing. Disclosure shall be required whether compensation was requested for or paid to the requestor or a third party. The disclosure shall include the name of the person or entity seeking the compensation, the specific compensation sought, what the person offered to do or refrain from doing in exchange for said compensation, and whether the compensation was actually paid and to whom.
- (2) Any violation of the above shall render the relief or item being sought by the principal voidable by the city council. Violation may also cause any prior

approvals to be overturned and can defeat any vested rights as a result of such prior approval, in addition to any other remedies allowed by law.

I do hereby acknowledge that I have read the requirements for Disclosure of Support or Not To Object listed above and recognize that this disclosure must be made in writing and stated verbally on the record at the public hearing.
